

ಶ್ರೀ ಪಿ. ಪಿ. ಹೆಗರೆ.—ಮಾನ್ಯ ಮಂತ್ರಿಗಳು ಇಲ್ಲಿ ಇನ್ನೂ ವಿರೋಧಿಸಬೇಕಾಗಿರುವ ತರಗತಿ ಕೊಠಡಿಗಳ ಸಂಖ್ಯೆ ಖಾಲಿ ಎಂದು ಹೇಳಿದ್ದಾರೆ. ಈ ಬಗ್ಗೆ ಸರ್ಕಾರದವರು ಯಾವ ರೀತಿಯ ಕಾರ್ಯಕ್ರಮವು ಹಾಕಿಕೊಂಡಿದ್ದಾರೆಂಬುದನ್ನು ತಿಳಿಸುತ್ತಾರೆಯೇ ?

ಶ್ರೀ ಬಿ. ಸುಬ್ಬಯ್ಯ ಶೆಟ್ಟಿ.—ಈಗಾಗಲೇ ನಾನು ಹೇಳಿದ ಪ್ರಕಾರ ನಮ್ಮಲ್ಲಿ ಸಾಕಷ್ಟು ಹಣವಿಲ್ಲದೇ ಪ್ರಯುಕ್ತ ಎಲ್ಲ ಶಾಲೆಗಳಿಗೂ ಕೊಠಡಿಗಳನ್ನು ಒಂದೇ ಸಲ ಕಟ್ಟಿಸುವುದಕ್ಕೆ ಸಾಧ್ಯವಾಗಿಲ್ಲ. ವರ್ಷೇ ವರ್ಷೇ ಹಣ ನಿಗದಿ ಮಾಡಿ, ಈ ಕೆಲಸವನ್ನು ನಾವು ಹಂತಹಂತವಾಗಿ ಮಾಡಿ ಮುಗಿಸುತ್ತೇವೆ.

(d) This is under examination

(e) The University-Grants Commission has given grants for the development of Post-graduate Centre periodically. The University Grants Commission has not spelt out explicitly the formation of an independent University at Gulbarga

(f) A proposal to establish a University at Gulbarga is under active consideration of Government.

(g) Since, the matter is under examination of the Government, this question does not arise.

Sri GOVIND P. VADEYARAJ. —The Hon'ble Minister has stated that a proposal to establish a University at Gulbarga is under consideration of the Government. I would like to know by what time, the Government is going to set up the University at Gulbarga ?

†SRI B. SUBBAYYA SHETTY —The Karnataka University had appointed a Committee to go into this question of establishing a University at Gulbarga and they have submitted the report and the report is under the consideration of the Government. The Government are considering to appoint a Commissioner to work-out the establishment of the University because it has to be worked out and certain works will have to be done and we may taken action within a few day to appoint a Commission to go into the question of establishing a University after looking into the report. During this years, perhaps, we may be able to start.

SRI GOVIND P. VADEYARAJ.—In view of the fact that a Post-Graduate Centre was established at Gulbarga as far back as 1970, the Government is thinking of establishing a University in 1979 and the Hon'ble Minister was good enough to tell me that during this year he would take all necessary steps to start the University. Sir, this academic year commences from the month of June. The Hon'ble Minister has already stated that the Committee has submitted the report. So, what remains to be done is only the appointment of a Commission. The Commission may work-out the details; But the point here is, there are 12 Post-Graduate Departments already functioning and I don't think the Commission need do anything more in that matter. Therefore, in view of the urgency, will the Hon'ble Minister kindly give an assurance that he would start the University right from this academic year i. e., 1979-80?

SRI B. SUBBAYYA SHETTY.—Whether there is anything to be done or not that is the opinion of the hon'ble Member but that itself has to be looked-into and the starting of the University by this academic year does not arise.

SRI GOVIND P. VADEYARAJ.—I don't know why the Government are taking this kind of attitude. What needs to be done? If I have understood, under the Karnataka Universities, Act, a resolution has got to be passed by both the Houses of the Legislature. That is all you have got to do now. Since all the formalities are completed and the departments are functioning, land is acquired, buildings are constructed and all other facilities required for starting a University are available there in Gulbarga, why not the Hon'ble Minister seriously think of starting it only from this academic year i. e., from June?

SRI B. SUBBAYYA SHETTY.—We are equally interested as the Hon'ble Member is. It is not that we are not interested. But, certain things have to be gone into and for that only, we are thinking of appointing a One-Man Commission. Further, the additional expenditure and other things will have to be worked out and the University Grants Commission has to be consulted. It is not as if just make a resolution and say that the University is started. If by only a resolution, a University is started, I don't think there is any difficulty at all and any number of Universities could be started. So, it is not as simple as that. I know passing a resolution is one of the conditions but other things have to be gone into. We have to meticulously and carefully work out the expenditure and other things and for that purpose only, I said that a Commission has to be appointed and we are going to appoint a Commission.

SRI GOVIND P. VADEYARAJ.—Sir, the Hon'ble Minister mentioned certain difficulties and also about certain formalities to be followed for establishing a University at Gulbarga I don't think it is so. Because they can get the financial allotments from the Finance Department in view of the report given by the Committee. So far as University Grants Commission is concerned myself and the Hon'ble Minister have met the Chairman of the University Grants Commission in this regard. The University Grants Commission has opined that there is urgent need for establishing a University at Gulbarga. The University Grants Commission do not have any sort of objection. That being the case please do not bring any technical objection for establishing this University. Kindly take steps in this behalf and see that the proposed University at Gulbarga is started from this academic year itself.

12-30 P. M.

SRI B. SUBBAYYA SHETTY.—Sir, I wish what the hon'ble Member has stated about the University Grants Commission. Of course they do not have any objection regarding starting of a University at Gulbarga. In this connection I have met the Union Education Minister. But at that time he did not give any idea about it. On the other hand he has stated that they were not very keen about establishing Universities. However, after I had a discussion with him regarding starting of Universities at Mangalore and Gulbarga, he has told me to send a proposal in this regard. He has also told me if proposals are sent to him he will definitely consider them. That is the position.

ಶ್ರೀ ಅಣ್ಣಾರಾವ್ ಭೀಮರಾವ್ ಪಾಟೀಲ್.—ಗುಲ್ಬರ್ಗಾ ಸೆಂಟರ್‌ನಲ್ಲಿ ೧೨ ಇಲಾಖೆಗಳನ್ನು ತೆಗೆದಿದ್ದೇವೆಂದು ಹೇಳಿದ್ದೀರಿ. ಅಲ್ಲಿ ಹೆಡ್ ಆಫ್ ದಿ ಡಿಪಾರ್ಟ್‌ಮೆಂಟ್ ಇಲ್ಲ. ರೀಡರ್ಸ್ ಇಲ್ಲ. ಕೆಲವು ಇಲಾಖೆಗಳಲ್ಲಿ ಫುಲ್ ಟೈಮ್ ಲೆಕ್ಚರರ್ಸ್ ಕೊರತೆ ಕೂಡ ಇದೆ. ಮಾನ್ಯಮಂತ್ರಿಗಳಿಗೆ ಮಾನ್ಯಕ್ಕೆ ಬಂದಿದೆಯೇ?

SRI B. SUBBAYYA SHETTY.—It will be considered.

SRI H. GANGADHARAN.—Sir, how many Universities are proposed to this State for this Year. Whether it is a fact Mangalore University is going to be materialised this year.

SRI B. SUBBAYYA SHETTY.—I have stated that Government has received reports for establishing 2 Universities. One from Karnataka University and another from Mysore University to establish Universities at Gulbarga and Mangalore. The matter is under consideration of the Government. Further, under the U. G. C. Act Universities started after 1972 are not getting U. G. C. assistance. However it must get U. G. C. approval

SRI GOVIND P. VADEYARAJ.—Sir, if the Union Government and University Grants Commission agrees and clears way will the Government start this University right from the month of June itself ?

SRI B SUBBAYYA SHETTY.—Sir, to start the University at Gulbarga right from this academic year itself I think it will be difficult for us to do that job. It is only a hypothetical quest on put before me. I am not in a position to answer that hypothetical question asked by the hon'ble Member.
